MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Proposed Recommendation on Organization
and Functions, and Revised
Organization Chart

I strongly object to the grouping of the Inspector General together with the Assistant for Coordination, Executive Officer and Cable Secretariat. I believe that the Inspector General should be in a separate box. This chart makes a farce out of the statements to the President's Board and to the President regarding responsibilities and authorities of the Inspector General and the relative role of that officer in the Agency.

SIGNED

Lyman B. Kirkpatrick
Inspector General

Is the latter handling to be followed in future or was this an exception because of the nature of that change (merely adding USIB)?</p>
